

**Project:**

**Client:** BioVectra, Inc.

**Year:** 20

**Solution:**

**Features:**

- One outdoor packaged chiller with integrated air cooled condenser
- Refrigerant
- Factory integrated oil separator
- Suction accumulator and oil cooler
- Receiver
- Two individual Selenia and tube evaporators
- One dual circuit air cooled condenser
- Glycol process pump
- Electrical control
- Factory-mounted
- Operational training

**Highlights:**

-  Custom Engineered
-  Air Cooled
-  Factory Tested
-  W > 1000000 BTU
-  Start-up
-  F9 x 3, 1/2 x 1/2 E9
